**“Broadway’s shining new achievement” — The New York Times**

From Grammy, Emmy, and Academy Award-winning Steve Martin and Grammy Award-winning Edie Brickell comes *Bright Star*, the five-time Tony-nominated, new Broadway musical. Directed by Tony winner Walter Bobbie and inspired by a real event, this original musical tells a sweeping tale of love and redemption set against the rich backdrop of the American South in the 1920s and 40s. Propelled by an ensemble of onstage musicians and dancers, the story unfolds as a rich tapestry of deep emotion, beautiful melodies and powerfully moving performances. *Bright Star* is “Broadway’s most beautiful show” (WABC).
