

# FRIENDS OF SOUTHBOROUGH COA

August, 2022

Dear Friend,

As a past supporter of our annual golf outing, we are writing to inform you that last year marked the 30<sup>th</sup> and **final** Falconi Family Golf Tournament to benefit the Senior Center. We would like to personally thank you for consistently supporting this charitable endeavor. Our town's senior citizens have greatly benefited from your generosity! We cannot thank you enough.

The Senior Center staff is now back at full throttle, hosting barbecues, providing educational and social gatherings, and generally addressing the needs of our senior citizens. Additionally, the Friends of the Southborough Council on Aging continue to provide financial assistance to those in need for groceries, transportation, medical, and other essential needs. Your past contributions have provided a financial buffer, enabling us to address these needs seamlessly.

To that end, our senior citizens and the Southborough Senior Center still need our support, and we are greatly appreciative that Jimmy Falconi and Falconi Energy have committed to donate five cents of every gallon sold at the Falconi Pit Stop on Tuesdays. We are asking you to again consider making a contribution to help support our efforts.

Donations are 100% tax deductible. Checks should be made payable to "Friends of Southborough C.O.A." and be sent with the attached form to the Friends of the Southborough COA, 9 Cordaville Road, Southborough MA 01772.

We thank you in advance for your consideration.

Sincerely,

Bob Myers  
President, Friends of Southborough COA

Joan Guerrant  
VP, Friends of Southborough COA
