**Bus will leave the Senior Center at 10:30am  
returns approximately 3:30pm**

The Old Mill, from the earliest beginning, has served a useful purpose in the community. Originally a saw mill where logs were processed for the new homes of the neighborhood, the Old Mill, and its whirling saw sang a song of progress and industry through five generations of ownership in the same family (the Foster Family) before its wheels stilled and it fell into disrepair. Today, the Old Mill is noted for tempting foods served in a setting of rare charm. Voices of diners mingle with the merry music of water rushing gaily over the mill dam as it dances its way to the sea. You will also have an opportunity to visit the Gift Shop and Bakery. Please sign up at the front desk or call (508) 229-4453. You will be asked to pick either Yankee Pot Roast or Baked Stuffed Filet of Sole Almandine each of which will include a salad, potato, vegetable, corn fritters, dinner rolls, homemade apple crisp with whipped cream and coffee. We are hoping to view beautiful fall foliage on the trip to the Old Mill.

**Stop by the front desk to sign up or call (508) 229-4453.**
