

Pros and Cons of Selling Your Home

Wednesday, February 20th

1:00pm

Don't let the thought of selling your home overwhelm you. Ginny Martins, a local realtor with more than 30 years of experience in the real estate industry, will offer you a step by step guide to the process. You'll learn how to properly prepare your house for the market, interview a real estate agent, understand the market analysis, the pros and cons of having a pre-sale home inspection, the steps to follow after you get an offer and the closing process. Today's buyers have high expectations so if you want top dollar for your home, learn what you need to do and how.

Please sign up at the front desk or call (508) 229-4453.
