**Location: Sander's Theater, Harvard University**

**Bus leaves the Senior Center at 6:15pm**

*Celebrate the holidays* with the 47<sup>th</sup> annual Christmas Revels! A holiday tradition for more than five decades. The Christmas Revels is a joyful theatrical celebration of the season that wanders the world each year showcasing the music, drama, folktales and rituals of a particular culture. Not just a “show”, *The Christmas Revels* is filled with audience participation—a Revels hallmark. There are plenty of carols for all to sing!

This year's Revels will take us to Venice during the Italian Renaissance. We'll enjoy the gorgeous period pieces by Gabrieli and Monteverdi, fine comic acting by Commedia Buffo, and familiar Revels touchstones like Abbots Bromley Horn Dance, the Sussex Mummers Carol, and our signature piece, the Lord of the Dance, which will literally have you dancing in the aisles! Over 100+ member ensemble, adults and children, will entertain you for a night to remember!

The show is approximately 2 hours and 30 minutes long with a 15 minute intermission. Please visit the Christmas Revels Website to learn more about the show!
