Poetry, Memories, and Stories

How do our life experiences enrich our reading of poetry? How do poems help us share our own stories? In this workshop, our sixth graders will read a mid-twentieth-century American poem with their guests, and through conversation, artistic expression, and sharing of experiences, they will create individual interpretations to bring to the larger group. We look forward to the stories and memories that all will contribute!

Sign up at the front desk or call (508) 229-4453.

We hope that this will be just one of many opportunities to share poetry and make connections with Fay students and seniors.
