FRIDAY at the MOVIES!

Lion

Friday, May 12th

Five year old Saroo gets lost on a train which takes him thousands of miles across India, away from home and family. Saroo must learn to survive alone in Kolkata, before ultimately being adopted by an Australian couple. Twenty-five years later, armed with only a handful of memories, his unwavering determination, and a revolutionary technology known as Google Earth, he sets out to find his lost family and finally return to his home. This movie is 2 hours long and stars Dev Patel and Nicole Kidman.

Hidden Figures

Friday, June 9th

Three brilliant Africa-American women at NASA serve as the brains behind one of the greatest operations in history: the launch of astronaut John Glenn into orbit, a stunning achievement that restored the nation's confidence, turned around the Space Race and galvanized the world. This movie is 2 hours long and stars Taraji P. Henson, Octavia Spencer and Janelle Monae.
