Southborough's award winning Big Band, led by director Jamie Clark, is an audition-only group comprised of 6th, 7th and 8th graders from Trottier Middle School. These amazing musicians love to play big band and jazz tunes. They repeatedly surpass the expectations of anyone who hears them perform. From the first note, it is very clear these kids work hard. But perhaps what is most amazing about these individuals is how their love for music captures the audience and carries them away. You will have an opportunity to mingle with the students during the dinner portion and then they will entertain you with their incredible talent along with their amazing leader, Mr. Clark—And Amazing He Is!!!
