Sandy Kiess, COA Board Member [skiess2@verizon.net](mailto:skiess2@verizon.net)

Mary Ann Anderson, COA Board Member

Mike Backer, COA Board Member

The Southborough Council on Aging has mailed a survey, copy attached, to all residents age 55 and over. We would greatly appreciate it if the notice below can be printed in your publication for news release. We would like the Town Seniors' input as we continue to provide services for our Senior community. It would be beneficial, if possible, to include the survey.

Thank you for your cooperation and assistance.

### **Survey for Southborough Senior Center**

The Southborough Council on Aging has mailed a survey to all Town residents 55 years of age and over to assess the Senior Center services for our Senior and soon-to-be Senior community. This survey offers the opportunity for current Seniors to voice their opinions on Senior Center programs and services. For younger residents it is an introduction to what our Senior Center offers for activities, health and outreach services, as well as an opportunity for all residents to share their ideas on what types of programs you would like to see offered.

Survey forms were mailed on Saturday, April 6, 2024. If you are a resident Senior of Southborough, 55 years of age and over and have not received the survey, please pick one up at the Senior Center. The Survey must be returned to the Senior Center office or mail to: Southborough Senior Center, 9 Cordaville Road, Southborough, MA 01772 by April 30, 2024. Your survey response is anonymous.
